Policy statement

Bullying of any form is not tolerated by Leigh Academy Paddock Wood, and all staff and pupils are expected to be committed to this policy. All staff and pupils should respect each individual and aim to make everyone feel comfortable, both on their way to and from the Academy and within it. There must not be any fear of, or intimidation from, other people, either physical or psychological.

Bullying can occur through several types of anti-social behaviour. It can be:

i physical: a person can be physically punched, kicked, spat at, etc;

ii verbal: verbal abuse can take the form of name calling, it may be directed towards gender, ethnic origin, physical/social disability, or personality;

iii exclusive: a person can be bullied simply by being excluded from discussion/activities with those they believe to be their friends;

iv damage to property or theft: a person may have property damaged or stolen, physical threats may be used by the bully to coerce the person to hand over the property to them;

v cyber: this applies to inside and outside of the Academy through the use of instant messaging, email, text messaging and other internet sites.

It is important that victims are not made to feel powerless so to this end, victims of bullying will, in the first instance, have a dialogue with an adult to discuss ways in which the situation can best be dealt with and this will include

discussion on appropriate sanctions. S/he will also be offered alternative areas for breaks and lunchtimes, if appropriate.

The Academy will:

- i.** ensure all pupils are aware of the nature of the bullying;
- ii.** ensure all pupils are aware of the measures that will be taken against bullying;
- iii.** inform parents of the Academy's attitude towards bullying via information booklets; and newsletters;
- iv.** ensure that all staff are aware of the anti-bullying policy and procedures for its implementation.
